Dear Sir or Madam,

I-15 Community Partners for Children and Families is a non-profit organization that started with a group of friends. Our one simple goal is to build the future of those in need. I-15 Community Partners serves communities throughout California and Nevada. Within just four short years, our vision has become a reality and continues to grow.

This year marks the Fifth Anniversary of the I-15 Golf Classic at the Primm Valley Golf Club. Last year we raised \$10,000 which benefited our charities Nevada Childhood Cancer Association, The Monti Carlin Tettamanti UNLV Scholarship Fund, Doolittle Community Baseball League in Las Vegas, Skylark Elementary School in California, Prado View Elementary in California & Koz Kloset in Las Vegas.

If you or your company would like to make a donation – monetary or raffle merchandise - we would be most appreciative. In addition to our golf tournament, we hold a raffle and silent auction during our golf event weekend. I-15 Community Partners' goal for this year is to raise \$25,000.

The weekend kicks off Friday, May 15th with a cocktail party, hosted bar at Fireside Restaurant and Tavern at 7 P.M. We will be returning to Primm Valley Golf Course on May 16th, 2009 for our annual golf tournament. This year will mark the addition of a "Hole-In-One" chance for a new car from Findlay Volkswagen. We are in the process of planning a second event to Orange County and will keep you informed on our progress.

Thank you for your consideration. Any help you can provide to I-15 Community Partners for Children and Families is appreciated. If you are interested in more information or to make a donation please visit our website at www.I-15.org. **I-15-Community Partners for Children and Families is recognized by the IRS with Tax Exempt status from the IRS as a 501 © (3) entity.**

Sincerely,

I-15 Community Partners for Children and Families!
